

REMARKS

Applicants have become aware that the amendment filed on November 13, 2006 had a typographical error in the listing of the claims. Specifically, certain words were omitted from claim 6 (previously presented). Applicants are submitting a substitute set of claims, with the correct language of claim 6 inserted. No other claims were changed. No new matter is added.

This Supplemental Amendment is being filed electronically with a copy to the Examiner by facsimile.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
